

*ACAD encourages property owners to use electronic and telephone options*

**Rockport** —The Aransas County Appraisal District is currently continuing operations but has suspended face-to-face services (we will close doors) to the public inside the building beginning March 23, 2020 as part of the effort to reduce the spread of the COVID-19 virus in the area, until further notice.

“The appraisal district will continue operations, and as always, we are committed to being responsive to the community. However, we believe it is in the best interest of the public and employees to temporarily suspend direct face-to-face contact with the public while continuing to provide services through other options, such as by telephone and online,” said Mike Soto, Chief Appraiser.

Forms, applications, maps, and other useful property information are available at [www.aransascad.org](http://www.aransascad.org). A drop box is also available in the drive-through area to the east (right) side of the building at 11 Hwy 35 N in Rockport, Texas 78382. Property owners may place exemption applications, renditions, and other paperwork in our drop box for processing. As of now, all due date deadlines are still in effect. Any questions may be directed to (361) 729-9733.
